Chinese International Education >

1. Introduction

The School of Foreign Languages has six teaching institutions, four research institutes and a national experimental area, namely the "E+" innovative training mode of dual-major integrated talents. In 2018, the major was approved by the Jingchu Excellent Teacher Collaboration Program in Hubei Province. This major combines the superior resources of the School of Foreign Languages, focusing on "Chinese" and "International" in the name. The goal is to train students into excellent Chinese international education compound talents with excellent bilingual (Chinese, English) or multilingual ability (Chinese, English, French/Japanese/Korean), excellent Chinese teaching ability, and language-culture promotion ability. Graduates will have strong competitiveness in Chinese international education and cultural exchange between China and foreign countries.

The graduates systematically master the basic theories and knowledge of the Chinese language and culture and related disciplines such as education and psychology. They will have good command of Chinese listening, speaking, reading and writing skills, proficient Chinese teaching ability, strong intercultural communication ability and preliminary research ability, good professional development ability and international perspective.

The core courses: Modern Chinese Phonetics, Chinese characters, Modern Chinese Vocabulary, Modern Chinese Grammar, Chinese Characters and Chinese Culture, Ancient Chinese, Chinese Literature, Psychology, Education, Second Language Acquisition, Chinese Teaching Methodology, Chinese Writing, Intercultural Communication, Chinese Folklore, Chinese Classics, Chinese Language and Culture in Movie and Television Play.
